There’s not a single Roblox experience that you can enter in the way you can hop into a world of vanilla Minecraft and immediately start building houses and crafting tools.

The games themselves are usually kid-friendly, although some can be scary, and the chat filters in every game do a great job of filtering out any language that could be deemed offensive for younger eyes.

Although it’s free to start up remember that Roblox is ultimately a business and so are many of the games on the platform. Many of the games promote game-changing boosts that can be purchased with a dedicated currency called Robux. Robux are purchased with real-world money and can be used to buy boosts within games and items for your avatar to name just two applications.

What has made Roblox unique in its field has been the interplay between its enormous constellation of

experiences and its personalised avatar system. When you enter any given Roblox world, the user does not assume control of a context-relevant character (think Sonic, Mario, or Lara Croft) but as your persistent, user-created avatar. A virtual You, effectively – whoever you've chosen to be. Add to that an attendant in-game economy which has sprung up to support this expression of identity, with all sorts of user-generated clothing, hairstyles, accessories and skins available to purchase in the platform's avatar shop. Roblox offers an opportunity, then, not just for play, but for digital-first designers and entrepreneurial retailers.

When you add these to your game it is a great way to make a few extra Robux, especially if players find them incredibly useful.
